VOL. 9, NO. 7

"PREPARED BY AND FOR THE CAST OF WALT DISNEY WORLD"

FEBRUARY 16, 1979

Do You Have An Idea?

If you've been working on an idea which will improve our show here at Walt Disney World, improve safety or efficiency, submit it to our "I Have An Idea" Program for consideration!

Here's how the program works: To submit an idea, simply complete an "I Have An Idea" form located in the Idea boxes at our major break areas and cafeterias; or, write your idea on a plain piece of paper including your name, location and work extension and drop it in the IXA BOX. If it is more convenient, you can send your idea through interoffice mail to "I Have An Idea", Center Building.

Once our "I Have An Idea" Committee receives your idea, they'll send you an acknowledgement and forward your idea to the Division Representative who begins a feasibility and cost study. After your idea is thoroughly researched and analyzed it is returned to the committee for discussion.

Our "I Have An Idea" Committee meets once each month to take action on the ideas submitted, but depending on the idea submitted, the research can take several months or more to fully study the effectiveness of the idea.

The committee determines whether or not the idea submitted is to be rejected or accepted based on the findings of the research and contacts you by letter.

The ideas which will be accepted must be original and not previously submitted or in the process of being implemented. Many of the ideas submitted to our "I Have An Idea" Committee have been submitted previously by other cast members, and to help you determine whether or not your idea is original, **EYES & EARS** will print a quarterly report on the progress

of our "I Have An Idea" Program listing the ideas which have been accepted during that quarter.

Some of the ideas which are submitted on a regular basis by numerous cast members include requests to develop foreign language guidebooks and menus for our guests, to add more information signs throughout Walt Disney World, to increase the number of cast members at certain locations during peak periods, to install non-skid surfaces and speed bumps in various locations, to recycle aluminum and cardboard products, and to install hand dryers in our restrooms. Many of these ideas are already part of our on-going maintenance program or have been rejected due to research which showed they were not as effective as methods presently in use.

Last year our "I Have An Idea" Committee accepted 73 ideas, and out of those ideas, 54 included improvements in services and safety factors for employees and guests and 13 were for new employee benefits! Seven of the ideas accepted in 1978 were of such nature that the committee named them "Outstanding Ideas"!

So don't keep your ideas to yourself; put your winning ideas to work for all of us!

If you have any questions concerning our program contact your Division Representative to our "I Have An Idea" Program. They are:

THIS MEDALLION COULD SAVE YOUR LIFE

You never know when the need may arise. But if does, "The Body Guard" may be the only source of information that can save your life.

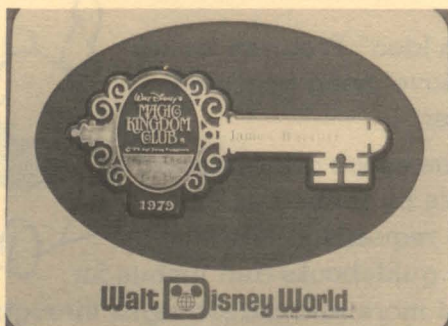

"The Body Guard" is a permanent personal identification medallion worn around the neck, that carries vital information needed in an emergency, should you be unconscious or unable to communicate.

Embossed on the back is a Toll Free number to call to obtain emergency information from anywhere in the United States, as well as a special telephone number for the rest of the world. All the caller need do is give the ID number stamped on the back, and the operator will stand-by with whatever information you have registered; including such things as blood type, allergies, drug reactions, surgical treatments, family background, who to notify, nationality, personal description, personal history, etc.

Cast Activities is now accepting orders for "The Body Guard" at \$12 each. Drop by today and check out the one on display, then place your order.

HAVE YOU SEEN THIS KEY?

Our Magic Kingdom Club is offering a new family Vacation Plan for 1979 called the **Gold Key Vacation**. This new vacation package is offered exclusively to Magic Kingdom Club members and their families and is the most unique way to visit either Disney-land or Walt Disney World.

Our Walt Disney World Gold Key Vacation entitles guests to a special gold key which they will wear the entire time they are visiting. The six days and five nights package plan is only offered at our Contemporary Resort Hotel and includes three meals each day at any Walt Disney World restaurant, any and all recreation throughout Walt Disney World and all Magic Kingdom attractions (except Shootin' Gallery and our arcades).

So if you see this Gold key, just let our guests pass through! If you need further information on this special Gold Key Vacation, contact our Magic Kingdom Club or our Admissions Department.

SUPER HERTZ CAR SALE THIS WEEKEND

The folks at **Hertz Car Rentals** will be holding a special sale of their 1978

"cream puffs" just for you . . . and each car will carry a super discount on top of their already low prices!

In the market for a new car, but can only get up the bucks for a used one? Then meet the best of both worlds, the Hertz system. Hertz has searched through their 1978 models and chosen only the best ones for resale to you. Models include Pinto Runabouts, LTD II's, Granadas, T-Birds, Fairmonts, Monte Carlos, Cutlass Supremes, Buick Regals and Zephyrs. Each will carry a special Hertz limited warranty and all service and maintenance records will be available for your inspection.

The sale will be three days only, at the Hertz Used Car lot at 3701 West Colonial Drive in Orlando:

Friday, Feb. 16 — 9 a.m. to 9 p.m.

Saturday, Feb. 17 — 9 a.m. to 6 p.m.

Sunday, Feb. 18 — 12 noon to 5 p.m.

Call Hertz at 293-2331 for additional information.

IS IT TIME FOR VEHICLE INSPECTION?

If February is the month you comply with Florida State Law and have your vehicle inspected, then it's also the month you should have your Walt Disney World **ID validated** and your **new vehicle sticker** placed on your vehicle.

To receive your new vehicle sticker just stop by our ID Office at the Center Building and bring your pink inspection slip with you. The ID staff will then issue you your renewal strip for your vehicle sticker, and validate your ID.

All cast members must have a valid ID and vehicle sticker to enter the property, so remember to stop by our ID office and avoid delays on your way to work!

FOR YOUR BENEFIT

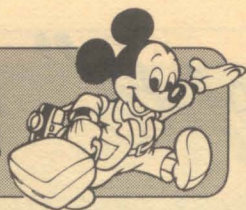

Many of the services offered to Walt Disney World cast members are unique to our Company and not part of a "regular" employee benefit package offered at many corporations. One of these special services is our **Family Film Festival**.

As part of the Walt Disney Productions family, we have access to the numerous film files at our Studio in California. This enables us to show many of our classic films currently running in the local theatres to cast members at no charge. The only requirement to view these films is to stop by Cast Activities or one of the satellite offices for tickets! Tickets will be issued to cast members upon presentation of Disney I.D.

One nice advantage of being part of a "Show Business" company is the opportunity to view first-run films prior to general release or during first release. In the past year cast members have had the opportunity to see "Candlehoe", "Pete's Dragon" and "The Small One" during first release. During the month of March interested cast members can see our newest release from Walt Disney Productions, "The North Avenue Irregulars". Watch **EYES & EARS** for full details.

Take advantage of this special service and stop by Cast Activities for your Family Film Festival tickets next showing!

TRAVEL CENTER

EUROPE TRIP STILL ACCEPTING RESERVATIONS

The Walt Disney Travel Company has put together a fabulous 17-day package to Europe this May, and all cast members are reminded that this is a perfect time to get your vacation plans on the board, as it is traditionally a slow period in the Magic Kingdom.

The trip includes the very best of Europe . . . Holland, Germany and Greece. You'll cruise the Rhine, tour the ruins, feast your eyes and mind with Europe at it's best!

This inclusive package includes such items as round-trip air fare, all hotel accommodations and shipboard cabins, baggage handling, all tips and gratuities, continental breakfast daily, all meals aboard ship, many other meals, plenty of sightseeing and side trips, and a Travel Company escort during the entire tour.

The trip departs Friday, May 11, returning to Orlando on Monday, May 28, 1979. The per person package price is \$1,850, based on double occupancy. Stop by Cast Activities for a detailed itinerary, or the Walt Disney Travel Company, located in the Lake Buena Vista Preview Center.

CAR CARE TIPS

A new car is now a major purchase for many individuals and should not be bought on "impulse." There are several things to keep in mind when you're looking for a car to insure complete satisfaction for the years to come.

First of all **shop around**. Decide in advance the type or style of car you are interested in, what options are necessary and what aren't, and then look for only that kind of car.

To insure that you are getting the best buy, decide on a firm price of a new car **before** you talk trade-in. In

many cases the dealer will come down from the "sticker price" or the "manufacturer's suggested retail price." Don't be afraid to drive a hard bargain . . . you'll save yourself money in the long run. Dealer A may offer you \$1500 for your car as a trade-in on a \$5500 car. Dealer B may only offer a \$1300 trade-in but agree to sell you the same car as Dealer A for \$5100. Remember it's not the trade-in price that counts, but the final selling price.

Don't overlook the location and convenience of your dealer. If you work Monday through Friday and the dealership service area is closed weekends and is located fifty miles away, you won't be able to make use of their "free oil changes" or service promises they'll make when you're buying your car. Almost all dealerships are offering special services now, so shop for those as well when you're looking for your new car!

Next week we'll discuss another very important consideration when you're planning to buy a new car . . . the service warranty.

Are you thinking of a transfer or a promotion, but have doubts about where you'd like to go? If so, you should attend our "Where In The World Are You Going?" class offered by Career Planning and Placement. This 90 minute course can help you assess your future goals and help you determine where you'd like to go in our Company. The next class meets **February 27 at 4:30 p.m.** at the Disney University. Contact Career Planning and Placement, extension 5242 for scheduling.

Walt Disney World currently has the following positions available:

- **Supervisor/Material Control** — This position in our Services Division involves inventory management and offers a promotional opportunity for persons presently at the Assistant Supervisor level. Applicants must be aggressive, self-motivating and preferably have a four-year business related degree. Knowledge of data processing systems is preferred.
- **Tellers** — To meet future needs for tellers in Cash Control, Admissions

and Deposit Operations we are encouraging interested applicants to contact Career Planning and Placement. Individuals selected will be required to work a variety of shifts and meet all physical requirements for these positions.

- **Word Processing Assistants** — Individuals selected should type a minimum of 50 wpm, have a good command of the English language with a strong emphasis in spelling, punctuation and grammar and must be willing to work a variety of shifts.
- **Department Clerk Typists** — Positions are currently available for personable individuals with typing skills of 50 wpm in Entertainment, Facilities, Merchandise, Safety and Services.
- **Lifeguards** — Immediate openings are available for permanent lifeguards at several Walt Disney World locations. Selected individuals must have an Advanced Lifesaving Certificate or Water Safety Instructor rating and meet physical and swim test requirements.

Anyone interested in these positions should contact **Career Planning and Placement** at extension 5242 during normal business hours, Monday through Friday from 9 a.m. to 5 p.m.

CONTINUING YOUR EDUCATION

Classes in the Orange County Adult Education Supervisory Training and Development Program began this week at the Facilities Learning Center. The classes offered this term include:

- **Supervision I** — meets Wednesdays from 4 p.m. to 7 p.m.
- **Supervision II** — meets Wednesdays from 12 noon to 3 p.m.
- **Solve by Supervising** — two sessions meeting on Thursdays, with session I meeting from 12 noon to 3 p.m. and session II meeting from 4 p.m. to 7 p.m.
- **Motivation I** — meets Tuesdays from 4 p.m. to 7 p.m. beginning February 20.

If you are interested in joining any of these classes, contact the **Disney University** at extension 4744 for registration.

"It Takes People"

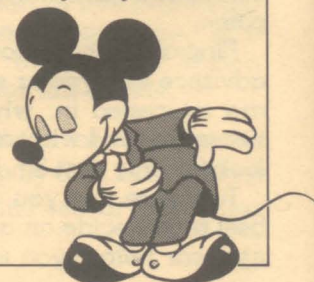

Our guests constantly write us about the three things they like best here at Walt Disney World . . . the cleanliness of our theme park, the quality of our show and the friendliness of our cast members. But every now and then we receive a letter that stands out among all the rest. Not too long ago we received such a letter from Mrs. Elaine Combs of California concerning **Mark Cardwell** of our Admissions Department. Mark is a certified CPR here at Walt Disney World. He originally became interested in the program while he was still in his home state of Indiana. As an ambulance driver there, Mark was a certified Emergency Medical Technician and was later certified in CPR. When he moved to Orlando and joined our cast at Fort Wilderness, he was recertified. His special knowledge has come in handy . . . especially for Mrs. Combs. It seems that while Mark was shopping on his day off he came across Mrs. Combs who was having a heart attack. Taking quick action saved her life. Concerned about her welfare, Mark stopped by the hospital later to see how she was progressing and it was there that Mrs. Combs discovered that Mark was a cast member, hence the letter! In her words "it must be such an honor having such knowledgeable young people working for you. It sure is a pleasure for me to know that when I visit Walt Disney World I can feel safe and secure." Mark plans to remain certified in CPR, and is presently studying forensic scientology at UCF.

Our Lake Buena Vista Golf Club is seeing some changes since our new golf professional joined our cast, and our pro is none other than **Rina Ritson**, wife of Phil Ritson of our Golf Studio. Rina joined our cast last January but since she came to America and Walt Disney World when Phil joined us over a year ago, she feels she's been around much longer. Living in the area for several months before resuming her profession gave Rina time to adjust to our American lifestyle, which is quite different from her native South Africa. Before becoming active in golf, Rina attended the Johannesburg Music and Art College with the ambition to become a concert pianist. After she completed her studies she taught music for awhile and then joined a large sports company and traveled around the world for the next few years. Rina began her career in golf at the insistence of her friends who felt she'd be a "natural" at the game. Their instincts were right and it wasn't long before Rina was playing in tournaments, taking home trophies in two! She met her husband when she appeared one morning for lessons to improve her game, and within three years it was Rina who was giving lessons! Golf really runs in the Ritson family; not only are Rina and Phil golf pros, but their oldest son is now on the professional circuit! Rina is very excited about her new role at Walt Disney World and is anxious to meet other cast members and help them with their golf game. In fact, she's hoping that she'll be able to develop the talent for golf in the sons and daughters of our cast members. She's sure she'll find a few potential pros among us!

Although most of us change our minds about our career ambitions several times throughout our lives, **Ginny Sullivan** of the Contemporary Woman hasn't faltered once concerning her career choice since she was in high school. This Winter Park native actually began her career in merchandising while still in school, first working at a large department store in the Orlando area and later for a smaller fashion store. During her senior year Ginny was on a split session program and found herself out of school every morning by 9:30 a.m. So she and her friends got together and decided it would be great to work at Walt Disney World. Her first position here was in our Fantasyland shops but she transferred to Tomorrowland when the Art Festival was moved. After she was promoted to Lead, Ginny was transferred again, this time to the Polynesian shops. Six months ago she was moved to her present position at the Contemporary. Since she's already decided on her career, she's perfectly content to stay where she is. Eventually Ginny would like to become a merchandise buyer.

When she's not working Ginny enjoys water skiing, tennis and dancing. She also likes to travel and is particularly fond of the nightlife in Atlanta and New York City.

CAST ACTIVITIES

NEWS

WE'RE LOOKING FOR JOGGERS AND SLUGGERS

That's right, Cast Activities is conducting an athletic talent search, and we want you! Because coming up in the next month or so are two of our popular cast sporting events . . . **St. Patrick's Day Road Race** and **Spring Softball Leagues!**

Certain sports require expensive specialized equipment, others require only a baseball glove. But the sport of jogging requires the least of any sport . . . just a pair of shoes! And just about everyone can participate!

Cast Activities has launched sign-ups for our **3rd Annual St. Patrick's Day Road Race**, and we want you to run right over and get on the list! The fee is just \$1, and it enables you to participate in a super fun morning race on Saturday, March 17, between employees of Sea World, Circus World, Stars Hall of Fame, Wet 'n Wild and Walt Disney World.

This year the race route will once again take you from Sea World's back gate, past Stars Hall of Fame to Little Lake Bryan, four miles in all. And to assure everyone a shot at the gold, runners will vie against one another in categories . . . (men and women) 19 and under, 20 to 25 years, 26 to 30 years, 31 to 40 years, 41 to 50 years, and 50 on up. Some of these age categories may be combined, depending on the number of participants.

The course has been marked off in half-mile segments, and practice is currently underway on Saturdays and Sundays from 11 a.m. till dusk. However, you can practice anytime just by showing up, although the locker rooms are only open weekends.

And don't forget to bring your family and friends along the day of the race, or any of the practice weekends. All of the lake's regular facilities are open, along with sailing, fishing, canoeing, paddle-boating, picnicing, volleyball, sun bathing and more. See you there!

BALL PLAYERS WANTED

Cast Activities recently opened our **1979 Spring Softball season**, and there's still time for you to join in!

Think back to when you were a kid, how often did you join in a neighborhood game of softball with your friends? Well, things are no different here . . . it's friends and co-workers getting up teams to compete with each other at our softball fields. It doesn't matter how good you are, just that you want to have a good time. And now is your chance to join a team for a little mid-week evening fun before going home!

Who do we want to join in on all the fun this Spring? YOU, that's who! And you can do it individually or with your own team. All you need do is call Cast Activities at extension 4254 and get on the roster. Show-up week begins Monday, February 19, so call right away!

After the season begins, Cast Activities will make the fields available for practice on Fridays, Saturdays and Sundays. So call right away and let's "Play Ball!"

SPORTS, CLUBS & SPECIAL EVENTS

The Snow Skiing Club returned Monday from their second trip of the winter, and what a trip it was! Seems like when you want snow, sometimes you can get more than you bargained for . . . and that's exactly what the weekend trip brought on. With overcast skies dumping inches of snow in the valley below Beech Mountain, no one was prepared for the two-feet and more on top, including the buses! But the Highway Department came to the rescue with a giant earth moving tractor to pull them over the crest! Following a blizzard Saturday, Sunday dawned with a crystal blue sky over fresh snow, to provide the club skiers with one of the best days on the slopes in years!

BAHAMA CRUISE FILLING FAST

Cast Activities' Bahamarama Cruise, set for **June 8-11**, will be filled shortly, and **NOW** is the time to drop by with your \$100 deposit to hold yourself a berth.

This four-day and three-night cruise aboard the **Sunward II** was super popular last year, and we expect an even better trip this year! The itinerary includes departure from Miami, one day in Nassau and another on a private island in the Berry Island Chain.

The package price ranges from \$265 to \$285 per person, based on double occupancy and deck level selected. It includes round-trip bus transportation to Miami from Lake Buena Vista, lunch en route both ways, shipboard accommodations and ocean transportation, all meals aboard ship, baggage handling at Port of Miami upon arrival and departure, and port tax.

Cast Activities is now accepting reservations on a first-come-first-serve basis. Your deposit is non-refundable after March 1st unless you can be replaced off a waiting list.

ATTENTION SNOW SKIERS

All cast members who participated on the 1st Snow Ski Trip, January 13 & 14, should stop by Cast Activities and pick up your checks.

Those receiving checks from the 2nd trip, February 3 & 4, please wait until the last week of this month before stopping by Cast Activities.

BASIC SCUBA CLASS OFFERED IN MARCH

With the harsh winter weather soon to pass us by, the time has come to re-open our popular Basic SCUBA Diving lessons. The first class of 1979 is scheduled to begin the week of **March 19th**, at a cost of \$55 per student.

As with all of our other classes, the instructor will be **Wayne Mitchell** and your certification will be through the National Association of Underwater Instructors (NAUI).

Sign-ups are now being accepted in Cast Activities with a \$25 deposit. Drop by for full details, but hurry, the class size is limited and on a first-come-first-serve basis.

RELIC EXPLORER'S CLUB HOLDING ORGANIZATIONAL MEETING

Cast Activities recently announced the formation of our newest cast club . . . the Relic Explorer's Club . . . and the response has been super!

Therefore, the first organizational meeting has been set for **Thursday, February 22**, at 7 p.m. in the Cast Activities Lounge.

The club's activities will be centered around cast members interested in history and in digging up relics of the past. Equipment ranges from the use of metal detectors to the good ol' shovel, with trips planned to Civil War battlegrounds and pirate strongholds off the coast.

Everyone is invited to attend the meeting.

BACKGAMMON TOURNAMENT ANYONE?

All Disney backgammon players should be alerted that Cast Activities and the Lake Buena Vista Cast Activities Office will be sponsoring our first Backgammon Tournament . . . and if you are a cast member then you are eligible to play!

The tournament is set to take place in the Crew's Galley cafeteria at the Village in Lake Buena Vista, on Tuesday, March 6th, beginning at 6:30 p.m. The registration fee is only \$2, payable in advance at Cast Activities or the LBV Office.

Tournament spaces are limited to 30 players, with prizes and refreshments included. Call the tournament director, **Chris Scruggs**, at 828-3977 for additional information.

SLIMNASTICS, ANYONE?

Cast Activities is considering offering a Slimnastics/Physical Fitness class at the Stage Door Cafe from 5:30 to 6:30 p.m.

The class will meet on Mondays and Wednesdays or Tuesdays and Thursdays for six weeks. If there are enough sign-ups, the class will begin on March 5th.

The course will consist of teaching the proper techniques for elementary to advanced exercises, strengthening the cardiovascular system, and toning muscles. The program is open for people on all fitness levels.

We will limit the course to the first 20 persons to sign up at Cast Activities. The rest shall be put on a waiting list. The total cost for this course is \$15 per person based on a 20 person class. Contact **Duncan Marks** at ext. 4254 for further information.

DIVE CLUB NEWS

Want to get wet this weekend? Then join the Walt Disney World Dive Club this **Saturday, February 17**, as they head for Boynton Beach. This one day trip aboard the *Bottoms Up* will cost approximately \$8 for a two-tank dive. Everyone planning to dive should meet at Denny's on International Drive at 4:45 a.m. The group will depart promptly at 5 a.m.

Monday, February 19, a "Washington's Birthday" dive to Crystal River is planned. The group will depart from Sambo's on West Colonial Drive at 7 a.m. sharp.

And keep in mind that there are only a few slots remaining for the Cozumel trip in March as well as the San Salvadore trip. Contact Cast Activities, extension 4254 to sign up for both of these trips.

The next dive club meeting is scheduled for **Tuesday, February 27**, so mark your calendar now . . . and have a nice dive!

Kevin McDeed, an Association member's partner in their Lake Conway Tournament, is shown holding his booty . . . his winning bass, Biggest Bass Plaque and 1st Place Trophy.

Sportsman's Association secretary **Ann McDeed** certainly keeps the winning in the family; as she, her husband **Don** and son **David** bring home the trophies in a recent Speck Tournament the club held.

SPOTLIGHT ON SERVICES

CONSUMER CORNER

Periodically, **EYES & EARS** will be carrying our **Consumer Corner**, filled with tips for cast members considering major purchases. This week's article concerns a home buyer's check list for **outside** the home. Watch next week's issue for tips **inside** the home.

1. Are adequate shopping facilities close by?
2. Are churches available, convenient?
3. Is the community well planned?
4. Are police and fire protection adequate?
5. Are schools located to suit you?
6. Is a hospital or medical center nearby?
7. Are recreational facilities nearby?
8. Are trash and garbage disposal arrangements adequate and frequent enough?
9. Are there adequate car parking spaces and garage facilities for your needs?
10. Is public transportation adequate and handy?
11. Is the land well-drained?
12. Has proper landscaping been done to prevent erosion?
13. Is there a reliable and drinkable source of water with adequate pressure?
14. Is the sanitary sewerage disposal system reliable and adequate?
15. Are lots or units arranged to suit your family life style?
16. Are there special assessments covering a portion of the lot, street or community development costs which will mean added monthly charges to you for a specified number of years?
17. What is the view out the front door? Are there eyesores? Do the neighbors appear to take good care of their properties?
18. What is traffic like on neighborhood streets? A street empty of cars on a Sunday afternoon may be clogged with traffic on weekday rush hours.
19. If the streets are busy, are there sidewalks for children on their way to school?

Keep these questions in mind when you are considering the purchase of a home or lot!

DONALD'S DEALS

NEW DISCOUNT

The American Health Association is offering all Walt Disney World cast members and their dependents a discount on its basic health screening examination package of 44 vital tests. The normal cost is \$49; the cost to Walt Disney World employees and their dependents is \$44.
